'OPENING HOURS' Monday to Friday 9:00am to 3:00pm — School Holidays Monday to Friday 9:00am to 12 noon

Feldenkrais

Improve the way you move and you change the way you feel, think and sense yourself in the world. This series of 4 classes based on the Feldenkrais Method® uses small, slow movements to guide your attention so you improve your posture, stability, range of movement and comfort. For most people, each class you will be lying on your back or on your side. No clothing will, provide a safe, pleasant, fun, and relaxing way to explore your curiosity. Be prepared to feel better!

Tutor: Cashy Yates

4 sessions, Fridays, October 10th - October 31st
10am - 11am

Neurographic Tree + \$20 Equipment Fee

The Neurotree is a drawing or artwork created using the principles of Neurographica, specifically focusing on the theme of a tree. Neurographica is a creative method that combines art and psychology to help individuals work with their subconscious mind and emotions through drawing. The "Neurotree" is a drawing created using the principles of Neurographica, where the subject of the drawing is a tree, often representing personal growth, development, or a connection to one's inner self and inner healing is seen as an ongoing healing process.
